### Yuma Association of REALTORS® Key Exchange for ActiveKEY Users

#### Upgrade to the NEW XpressKEY or eKEY!

##### Why...

- **Phase Out:** Supra is phasing out the ActiveKEY.
- **Choice of Keys:** You will have the choice of either the eKEY® app (on your smart phone or tablet) or the XpressKEY®, all work seamlessly with the iBox BT LE. View the [certified device list](#) to see all of the smartphones and tablets you can use as your iBox BT LE key.

##### Exchange details...

- Turn in your Active Key
- Upgrade to the XpressKEY or Supra eKEY app
  - You can upgrade to eKEY anytime starting now!

##### Xpress Key:

- Replaces ActiveKEY
- High quality backlit touchscreen
- Intuitive interface
- Keyboxes open quickly using infrared communication
- GPS coordinates assist with keybox assignment, end of showing notifications, and locating a missing key

##### eKEY Basic:

- Customize iBox access hours and listing specific information
- Track iBox inventory and view iBox settings
- Send showing feedback to listing agents from within the eKEY app

##### eKEY Professional, get the above and:

- View showing details and feedback
- View MLS info and search listings
- View agent roster
- Create and save buyer profiles and view matching listings
- View Hotsheet listings
- View a map to the listing in Google Maps™
